Recommendations

Immediate Actions

- Provide more challenging artistic activities
- Consider enrolling in age-appropriate art classes
- Encourage exploration of different artistic mediums

Short-term Goals (1-3 months)

- Encourage daily creative expression through various art forms
- Introduce new artistic techniques appropriate for age
- Build confidence through positive reinforcement

Long-term Development (3-12 months)

- Develop consistent artistic practice and routine
- Explore various artistic mediums and techniques
- Foster emotional expression through creative outlets

Recommended Materials & Activities

Materials:

Crayons, Colored pencils, Markers, Paint, Paper varieties

Activities:

- Free drawing
- Guided drawing exercises
- Art games
- Story illustration

When to Seek Professional Help

Consider consulting with a child development specialist or counselor if you observe:

- Persistent concerning themes in artwork
- Regression in developmental skills
- Extreme emotional reactions to art activities
- Complete avoidance of creative expression

Action Plan

| Timeframe | Actions |
